

Spring 2025 Take & Make Craft

Heart Paper Flower Craft

Materials

- Construction paper
- Pipe cleaners
- Beads
- Scissors
- Glue
- Pencil

Instructions

Step 1: Trace and cut out heart shapes from construction paper.

Step 2: Cut out leaves from green construction paper.

Step 3: Hold three hearts together as shown in the picture.

Step 4: Insert a pipe cleaner through it and circle the top part making the flower pistil.

Step 5: Insert a small bead from the other end of the pipe cleaner to hold flower petals in place.

Step 6: Glue the paper leaf on the pipe cleaner.
