For Immediate Release: Sherbrooke Public Library Reopening

Eastern Counties Regional Library (ECRL) is pleased to announce that the Sherbrooke Public Library is reopening on May 26. New staff are busy training and looking forward to welcoming the community. The public is encouraged to visit and see how the Municipality has refreshed and renovated the library space.

“On behalf of the Library Board I would like to thank the Municipality of the District of St. Mary’s for their investment in public library service and the enhancement of the library facility. New paint, renovations to the exterior and interior along with their additional financial support for increased library open hours will help ECRL to better provide the service the community wants and needs” said ECRL Board Chair Clair Rankin.

The new schedule adds weekday morning hours and lengthens the day on Saturday. The Municipality requested these hours to respond to community needs and ECRL was happy to work in partnership with them to make these changes. ECRL will also help support this improved schedule by using unspent monies from the closure period for training costs and the additional open hours until the end of June.

“On behalf of Municipality of District of St. Mary’s Council, we would like to thank ECRL for filling the vacant position at our Library as quickly as possible. With the additional hours we are hoping the needs of our Municipality will be met. Council is also looking forward to the Wi-Fi extender being installed so residents have increased access to free internet services.” – Municipal Warden, Greg Wier.

Information about the Sherbrooke Public Library is available at ecrl.ca. More service improvements are planned, including the installation of a Wi-Fi extender that will increase the range of the library’s free Wi-Fi to that of a city block. The new library schedule follows:

Tuesday 9am-12pm & 12:30pm-2:30pm
Wednesday: 12:30-5:30pm
Thursday: 12:30-5:30pm
Friday: 12:30-5:30pm
Saturday: 9am-12pm & 12:30pm-2:30pm
